ANNOUNCEMENT.

The library contains the annual reports of all railroad companies filed with the Commission since the year 1871; full sets of the annual reports of the railroad and public service commissions of all the states, including Canada and New South Wales, as far as these can be obtained, and a complete set of the annual reports, opinions and statistics of the Interstate commerce commission.

It also contains many technical journals, a large number of leading works on transportation, safety appliances, and express matters, together with many valuable pamphlets and addresses on railroad subjects, and many periodicals. To these will be added from time to time leading current literature relating to all branches of transportation.
